# RIPCORD

BUZ-VOICE  
BAZ-GUITAR  
STEVE-BASS  
JOHN-DRUMS

MANY THANK TO JOHN FOR SENDING ME "RIPCORD'S" FLEXI IT IS REALLY WORTH GETTING ,SOUNDING VERY MUCH IN THE MOULD OF CHAOS UK BUT ALOT HARDER HITTING ALL WORTH 50p FROM JOHN,14 CORNWALLIS AVE,WORLE,WESTON,5,MARE AVON,UK. WAS IT EASY PUTTING OUT YOUR FLEXI ??

no not at all,it took us along time to scrape the cash together then to do the recording,printing,pressing then sorting out the records into bags and finding people to distrubute them is proving to be hard work.

WHAT ARE YOUR LYRICS ABOUT ??

our lyrics range from anti nuclear war,famine,animal rights, apathy and any other subjects aswell.

WHAT INFLUENCES YOUR SOUND ??

no one band or person influences our sound it mainlly hinges on what we are listening to at the moment,although someone said we sound like CHAOS UK,DRI and SEPTIC DEATH but i dont know i hope we have an original sound.

WHAT DO YOU THINK ABOUT THE PRESENT PUNK SCENE ??

its ok there are quite afew good new bands like EXTREME NOISE, GENERIC,ELECTRO HIPPIES,HERESY.but it as been abit flat in these past months probably due to the summer and everyone away.

IS THE PUNK DRESS IMPORTANT TO YOU??

no not really.some of us wear trousers with holes in but thats about it.it dont matter what you wear or if your hair is spikey i would rather have a conversation with a straight person who knew about the scene than a kid with EXPLOITED painted on their leather who waffled aload of bullshit (too right)

DO YOU LISTEN TO ANY METAL ??

we do like some metal bands like SOD,SLAYER,METALLICA,ONSLAUGHT ANYTHING TO ADD ??

yes cheers DAVE for putting us in your zine and hope it sells well.

# RIPCORD

# PHOBIA

PHOBIA ARE A LOCAL BAND WE REALLY MADE AN IMPACT ON ME WHEN I FIRST HEARD/SAW THEM, A SOME WHAT DISCHARGE STYLE MUSIC WITH A DUAL BARRELLED VOCALS REALLY CHURNING OUT THE EMOTIONS, THEY HAVE A DEMO BUT I AINT HEARD IT YET, ON WITH THE INFO BY COL. WHY FORM THE BAND ??

i joined the band after it had been formed, i wanted to be in a band that played my kind of music, other local bands were either poppy or just doing cover versions.

YOU SEEM TO BE HEAVILY INTO VIVE SECTION.?

animals have as much right to live as we do, many of the experiments are repeats so do not need to be done or for new products which we dont need.

ARE YOU PLEASED WITH YOUR DEMO ??

my copy is on a fairly cheap cassette so its a bit muffled i would have liked some of the songs a bit faster they dont seem to have the same feelings as when played live .

WHATS IT LIKE IN YOUR AREA ??

it is pathetic it was great when briarcroft and black rod labour club was open and put punk bands on only places for bands to play these days is BOLTON

DO YOU HAVE MUCH OF A FOLLOWING ??

we seem to have a group of people who come to watch us all the time and seem to like us. we have been practicing for awhile so we haven't got any new songs

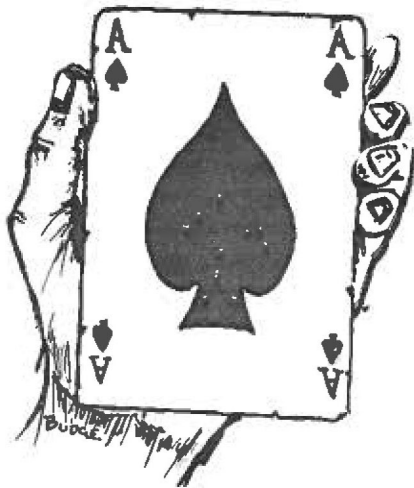

i fear people may get fed up with us doing the same set over again.

POLITICAL VIEWS ??

animal liberation, nuclear disarm, peace and freedom to live as i want without others telling me its wrong.

MANY THANKS TO COL GO AND SEE THIS BAND LIVE THEY REALLY SHRED.

WELL AMEBIX NEED NO INTRODUCTION  
WHATS THE BEST THING ABOUT GIGS.  
THE BARON.the reaction,when we  
began gigging at the start of the  
year we had not been on the road  
in ages never mind a new album  
out and we was going from 50/100  
to 300/400 in some cases.people  
having fun is what makes a gig.  
DO YOU FEEL YOU HAVE PROGRESSED ?  
yes we couldn't tune up until 81  
we try to get an interesting and  
original sound.hopefully the next  
album be more radical.

WHERE YOU HAPPY WITH THE LP ??

yup.i can see/hear lots of faults now but its still an album to  
be proud of,quite honestly we were chuffed when it first came out  
the new material is alot better,harder to get to grips with.  
HOW IS YOUR NEW STUFF COMING ON ??

well we have five new songs now but we are working on more now.  
we need the neccasarry insparation(man) i'm also in the process  
of trying to fix us up with a new record deal.

WHAT HAPPENED TO YOUR SYNTH PLAYER??

he wanted to jump around so he felt restricted and just left.  
has your wife had her baby yet??

not yet.but its due any minute now i am really exited at the  
prospect of bringing another life into the world,regardless of  
the state that it is in i believe that we can teach a future  
generation a few truths about this race and the planet we live  
on.it is strage to think that at some point LIFE is given/taken  
by an emoryo.at least i find it exiting many of the more aware  
people may think that i am doing the wrong thing but they can  
take a fling because i organise my life and wont take stick  
from cynical shits that think they know it all.

ARE YOU INTERESTED IN MOTORCYCLES ??

now thats what i call a strategic question.i am the proud owner  
of a TRIUMPH 3 TA TWIN CYLINDER 350cc MOTORCYCLE.i have had it  
for nearly two years now having bought it as a box of bits for  
£85 and devoting alot of time and money into getting it looking  
like a bike.last weekend i got the final adjustments made to the  
electrical system and fired it up.the only problem is i can't  
find a baffle for tulip Megas so consequently it is a very loud  
machine.i have a put the BARON on the road fund to pay for my  
test

# AMEBIX

motorcycle maintainance can be a most pleasurable hobby aswell as a very tiresome but i reccomend anyone to buy an old BRITISH four stroke if their in no hurry to get anywhere,my wife JIN as a BSA CI5 which i am going to try and run in for her while she is pregnant,more correspondance on bikes please,lets get mobile

WHAT REACTION DO YOU GET ABROAD ??

the last place we went to was SWITZERLAND where we got a great reaction although the hardcore element of the audience took some time to appreciate that you dont need short hair and wear a bandana to pump out skull grinding sounds and the bigotry was beaten after about three minutes then it was uphill.HOLLAND as got to be the most apathetic audience we have ever played to outthere are always good people about.ITALY is something else. DO YOU LISTEN TO ANY METAL MUSIC ??

by that i presume thatyou mean butt fuckin toothe melting ass kickin mother fuckin HEAVY METAL....well,yes.abit oh alright quite alot although i am very selective about the sounds that grace my turntable as that scene is turning as equally sub moronic as the last days of punk rock(a snivelling head pops up and says what about me?)so there needs to be an intergration of ideas and positive energy from both movements,others even if we want to be mega radical and form a new music,our stuff is too simple but it would be nice to see the more aware sections of youth come together for a change dont you think.

WHAT ARE YOUR INTERESTS ??

powered handgliding,a panther 600 sloper,good literature,long walks preservation of the species.

WHAT NEW BAND WOULD YOU RECOMEND ??

were totally out of touch with the scene which in some ways is an advantage,i like HERESY but they have been around some time.

WELL THANK TO THE BARON FOR WRITING AT SUCH A WORRYING TIME

## LEBEN UND LEBEN LASSEN

LEBEN UND LEBEN LASSEN COME FROM DENMARK AND HAVE ONE EP OUT WHICH IS QUITE OLD NOW AND THE BAND HAVE MORE OF A METAL FEEL TO THEM.

WHY DID YOUR LAST SINGER LEAVE ??

ANDREAS:he couldnt find time for the band anymore cos he was working at a radio station,besides he was not very committed to the scene.

WHAT ARE YOUR SONGS ABOUT ??

ANDREAS:i used to write about the same things as other hardcore bands,now as i get older i write about things in the scene not just all the slogan type things,more

personal things,besides i only write in english now,KENT writes in DANISH (oops thats the other way around,sorry)

HOW DO YOU FEEL ABOUT VEGETARIANISM ??

KENT;only LARS and i are vegetarians at the moment its mainly a personal thing,unfortunally you cant force people to become vegetarians you have to convince them its the right thing,ask them if they would like to be mutilated,tortured,electrocuted,chased or eaten,i feel very strongly about it,i'm not really ready for direct action although i am for it totally.

DOSE METAL MUSIC INFLUENCE YOU AT ALL ??

KENT:yeah i think so we are all more or less into metal and alot of our audience got turned off us cos of it.its only one souce of insperation we listen to all forms of music,it must get reflected in our music, variety is vital.

WHY WAS KENT SO DRUNK AT THE METALLICA GIG ?? HA HA.

KENT:i was not,it must have been someone else,i had enough to do with keeping ANDERZ (boston tea party)upright he was singing METAL MILITA alway through their set,it sounded very bad.

VIEWS ON COMMUNISM/FACISM ??

KENT:it fuckin sucks its obviosly that facism has to be fought everyway possible,but i hate communism even more the slimy creeps always try to make friends with you and then stab you in the back,thats what they have been doing since they started. the amount of anarchist,radicals and others who have been slaughtered by the communists is incredible their only crime being th question the role of the all mighty party and to refuse to kiss ass,i fuckin hate them.

# 'LEBEN UND LEBEN LASSEN

IS ALCOHOL GREAT OR WHAT ??

KENT:everyone who knows me will laugh their head off when they read this, but i actually do think alcohol is crap, so is every other drug, we use drugs for escapism, if we were happy we would not need it, i over do the alcohol pretty heavy at times to say the least. i think straight edge is an excellent thing but i haven't reached the point of self discipline where i can start living it out myself, a matter of weakness i reckon..

WHAT DID KENT THINK OF HIS VISIT TO UK ??

KENT:well i was mostly in BRITAIN (SCOTLAND) which i love more than everything (HI LIZ) my general impression however is the movement is more together than it is in DENMARK i love to live there someday it great.

ANYTHING YOU WISH TO ADD ??

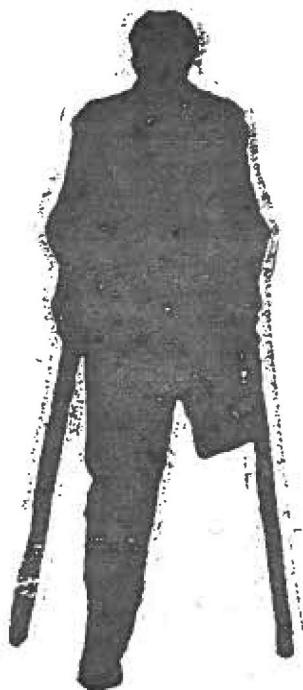

ANDREAS:skaters do you want to swap stickers, jump, jump if anyone wishes to contribute to our zine write to: ANDREAS C/O ST.TV.FILOSOFGANGEN, 9,5000 ODENSE C.DENMARK.

KENT:tharx to all the cool people in DK

# - Ted Heath

WELL ITS LOUD AND HEAVY ITS TED HEATH,GET YOUR EAR MUFFS OUT  
YOU SEEM TO BE SLOWING DOWN,WHY ??

RICHARD:i suppose some of our songs are slowing down,probably  
a phase were going through i think you get bored playing fast  
all the time,as long as its loud and heavy i dont mind.  
DO GIG MUCH ??

we dont gig as much as we would like to,but we are going to  
work STE in cos he is doing the vocals and playing guitar also  
YOU SEEM TO BE INFLUENCED BY BLACK SABBATH ??

yeah all the band like SABBATH i think TONY IOMMI as alot to  
answer for they were the first band to play heavy riffiffs  
IS YOUR HAIR STILL LONG ??

yes much longer and much dirtier.

WHAT MUSIC ARE YOU INTO THESE DAYS ??

i like thrash/hardcore bands not so much hardcore bands as  
long as its played well and the production is good,i think  
production is very important.

DO YOU GET ON WITH OTHER LOCAL BANDS (WARRINGTON)??

no we dont get on with other warrington bands were always  
arguing with them the majoroty are wankers.

WHAT IS YOUR FAV TH SONG ??

i would say "witching hour"out our newer stuff is much better  
WHY THE NAME TED HEATH ??

i dont really know STE thought it up,some people dont want us  
in their zines cos of our name,fuckin stupid.

LINE UP ?? STE/GUITAR,VOCALS..RICHARD/BASS..P,ROBERTS/DRUMS

HOW IS COOKIE FITTING IN ??

SOUND OF DISASTER come from SWEDEN and have a very powerful ep out they seem to be very aware bunch of people the questions were answered by their vocalist GORAN.

WHY DO YOU PLAY SO FAST ??

do we play fast? i dont think we play very fast, but we don't want to play 77 style of music which is too slow for us.

DON'T YOU THINK YOUR LYRICS GET LOST IN YOUR WALL OF NOISE ??

yes they do for sure.

WHATS IT LIKE LIVING IN SWEDEN ??

it's good. i've been to lots of countries and i haven't seen any better country than SWEDEN and i don't think i will find it. i am working which is boring out at least i get money so i can travel, i haven't much to complain about.

HOW DID YOU GET YOUR EP OUT ??

independent pressing company printed the vynal and another printed the sleeve. its easy to make a record here you just need the money and effort to do it.

WHAT ARE YOUR LYRICS ABOUT ??

the world around us, the scene etc.

INTERESTS APART FROM THE BAND ??

we don't like to be laoled anything out i guess thats what we are  
it dosen't really matter to us either way.

WHAT IS IT LIKE IN YOUR SCENE ??

not great but not bad,its getting better all the time with more  
people doing things on their own,zines,shows,records.the one  
thing that sucks is no clubs will let unknown bands play so  
your stuck playing parties all the time.

DO YOU READ MRR ? no.(mmm my longest answer to date DAVE)

HOW DO YOU FEEL ABOUT THE METAL INFLUENCE IN PUNK NOWADAYS ??

its ok,but i dont like it when a band changes what they stand  
for just cos everyone else is doing it it seems to be the next  
trend.if you start off with a punk outlook why change.

on the demo it was.DAVE/VOCALS,STEVE/BASS,CHRIS/DRUMS,TOM/GUITAR  
but now its tom,steve and a new drummer and steve is doing vocals

# SACRILEGE

SACRILEGE HAS YOU PROBABLY KNOWN,  
FORGED FROM THE ASHES OF THAT  
WELL KNOWN HARDCORE BAND THE VANDERS

THEIR ONLY RELEASE TO DATE IS THE TWELVE INCH

ON COR RECORDS CALLED "BEHIND THE REALMS OF MADNESS" THE  
FOLLOWING INTERVIEW WAS WITH THE VOCALIST.

DO YOU FEEL THE LYRICS OR MUSIC IS THE MOST IMPORTANT ??

although both music and lyrics are important we as a band feel  
that basically a band is about music so that is important to us.

DID YOU STAY AWAY FROM SATAN TYPE LYRICS ON PURPOSE ??

yes, none of us are budding satanist and we would like to see  
a better world not a world thrown into torment and fire.

WHATS THE BEST THING ABOUT DOING GIGS TO YOU ??

we enjoy the gigs most when everything goes right and the crowd  
have a good time and enjoy themselves.

ANY FUTURE VYNAL PLANS ??

yes we have just finished demoing our next album and we hope  
to record and release it very soon. its a good mixture with some  
of the fastest stuff weve ever done aswell as slow doomy stuff

WAS YOU HAPPY WITH THE PIECE IN KERANG ??

yes it was ok we were pleased to get in it...

DO YOU STILL LISTEN TO PUNK MUSIC ??

to be honest no, we havent for a couple of years now, except for  
the occational blast of DISCHARGE although even with them we  
prefare the newer stuff which is heavier

WHAT IS YOUR DEAL WITH COR RECORDS ??

we havent really got a deal with COR  
as such, not a contract or anything  
just an understanding really.

WHAT ARE YOUR NEW SONGS ABOUT ??

the new lyrics are more abstract  
than most of the older stuff more  
in the line of "MORDOR". some are  
about the destruction of the earth  
war etc. abit more mystic, the lyrics  
explain themselves really, some are  
about fear (the sort that is inside  
which is more frightening than reality)  
the search for peace of mind, thats it

DO YOU GET MUCH MAIL ??

yes we get alot of mail from BRITAIN  
and abroad it gets abit hectic at  
times trying to keep up with it all

DAMIAN GUILFAR PHOTO BY JENNY L

# SACRILEGE

YOU DONT INTEND TO TAKE UP THIS SHITTY METAL POSER ATTITUDE ??  
i suppose some people think that going in kerang and such like is taking a "metal poseur attitude" but we dont.our music can only be described as metal so obviously we want to reach a metal audience as well as keeping our hardcore fans.we dont feel oy expanding into the metal scene we will be contradicting ourselves as weve always been known for our music rather than our politics ideals and beliefs,we hold an individuals which is obvious in our lyrics etc and as people were just as down to earth, but i guess some people will still be offended.we realise whatever we do someone somewhere is going to be displeased its something you have to accept when your in a band and live with it .  
WHAT IS YOUR NEW LINE UP ??

DAMIEN AND MITCH/GUITARS..TAM/VOCALS..TONY/BASS..ANDY/DRUMS  
ANY FAV NEW BANDS ??

i would say TROUBLE are our fav band just now .

WHAT IS YOUR VIEWS ON VIVISECTION ??

we are against vivisection especially when its to create new and useless products that we already have enough of already  
DO YOU HAVE ANY GIG NEWS ??

we should be out gigging soon so watch out for us in your area.  
DO YOU GET ANY HASSEL OVER YOUR SINGING ??

i do get some hassel from people who listen to nice sweet girl vocalist i am going to put more expretion into my singing but i aint gonna start singing sweetly for anybody.

DO YOU FEEL HELD BACK BEING ON A SMALL LABEL ??

well TIM just dosent have the money to back a band,distribution advertising etc but hes a great person and helps lots of bands  
MANY THANK TO TAM C/099BYRON HOUSE,AVON RD,COLLEY GATE,HALESOWN  
WEST MIDLANS B63,ENGLAND.WHATCH OUT FOR THE NEW LP.

excel

EXCEL HAVE BEEN TOGETHER FOR TWELVE MONTHS  
YET EVEN THOUGH THEY ARE STILL A YOUNG BAND (16)  
THEY REALLY KNOW HOW TO TEAR IT UP ON THE MUSICAL FRONT USING  
A REALLY HEAVY SOUND RATHER THAN DEPENDING ON SPEED ALL THE TIME  
LINE UP??DAN/VOCALS,ADAM/GUITAR,EVAN/DRUMS,SHAUN/BASS.

WHY CHANGE YOUR NAME FROM CHAOTIC NOISE??

well we was a five piece band and we had problems with the bass  
player and the guitarist who kept trying to change things for  
the worse,we felt bad and thought we were going to break up so  
we kicked them out and thought it would be best all round to  
start a fresh and change our name.we are much heavier now and  
more time is put into writing songs.lyrics deal with personal  
values which is much better.

WHAT ARE YOUR INFLUENCES ??

our musical influences are,TROUBLE,STALAG 13,METTALICA,and our  
fav bands are,HIRAX,DISCHARGE,DESTRUCTION,POSSESSED,DRI.

ANY RECORD PLANS FOR THE FUTURE ??

yes we are planing to record stuff for this year hopefully,we have  
our demo out which is called PERSONAL ONSLAUGHT for four dollars  
also we have t shirts for six dollars.

WHAT ARE YOUR VIEWS ON SATANISM IN HEAVY METAL??

it really is a big joke isn't it a comic book gimic.i would love  
to know if all these bands really believe in it.

DO YOU THINK SPEED METAL IS JUST ANOTHER PASSING TREND ??

i think it was bound to happen cos all the old bands were getting  
to boring and old.

OF METALLIC RIFFING, THEY HAVE

TWO CUTS ON MY NEW COMP TAPE CALLED  
"HEROIN, I CAN HANDLE IT" ON WITH THE INTERVIEW. ANSWERS BY REMO.  
DOES YOUR TYPE OF MUSIC GO DOWN WELL IN HOLLAND ??

no not really, there are just a few really good thrash bands here  
in HOLLAND like LARM, J.G.K. PANDEMONIUM etc most people are into  
METALLICA like Robert and Stephan but i am not.

DO YOU GET MANY PUNKS AT YOUR GIGS ??

We have not done any gigs yet as we have a line up problem just  
now (they have found a bass player now) we want punks at our gigs.

DO YOU LISTEN TO MUCH BRITISH MUSIC ??

to be honest not really we do listen to VENOM, WARHAMMER, CARCASS  
SACRILEGE, ENGLISH DOGS, ONSLAUGHT, STUPIDS (i thought he said a few)  
WHAT ARE YOUR LYRICS ABOUT ??

well our lyrics written by Stephen are mostly about misunderstanding  
in society, so he says, but also about fears, occultism (non satanic)  
VIEWS ON THE POLICE/POLITICIANS ??

the police are your best friend, politicians suck are corrupted

• death from above.

YES ITS THE MIGHTY HELLBASTARD i heard this band about a year ago and thought yean this is one hell of a band and now their demo proves this to be true and thanx to SCRUFF for sending it and the mention.

WHY THE NAME HELLBASTARD ??

PHIL.well it was a song by the band SONS OF BAD BREATH and we thought it was a crusty name,people think we are a poxy satan band who sing about fuckin goats and all that shit,so its a piss take aswell.

DO YOU SCRUFF FIND IT HARD PLAYING IN TWO BANDS ,HELLBASTARD/APOSTLES ??

SCRUFF.this is a good question im

glad you asked it,i dont find it a hassel but the thing i do find is that its egootistical,what i mean is who isnt in a band and can play?you know.i hate egotists they are worth nothing also i wonder what the others would say if i said i dont want to be in HELLBASTARD anymore it means alot to them,im quite partical myself.

ARE YOU CALLED "SCRUFF" COS YOU ARE ??

SCRUFF.my brother TOOT started to call me scruff in 83 so iv'e had it ever since,its a degrading name but who would know me if i put STEPHEN on my letters.i suppose i'm untidy out its dead trendy to be crawling in lice thesedays in it.

YOU SEEM TO HAVE ALOT OF "HELLHAMMER" INFLUENCE ??

SCRUFF.this is my fault if it wasn't HELLHAMMER it would be CRASS or someone else who is saying something positive and means what ~~they~~ say,musically yes,lyrically i'd rather die.

PHIL.aaaarrrggghhh yeah HELLHAMMER were a total crusty,death band

WHAT ARE YOUR LYRICS ABOUT ??

PHIL.they aint about monsters or satan or killing people and all that shit that all these bands tend to sing about.we have anti war,anti nazi,anti heroin type lyrics,stuff about real life.

SCRUFF,our lyrics are non.political due to the fact that politics bore me to death.the lyrics mean more to me than the music.

HOW WOULD YOU DESCRIBE YOUR SOUND ??

SCOTY,crusty,we like crust frostish slow and heavy.

PHILtotal ripper crust mayhem.

SCRUFF,who cares not me anymore i dont give a fuck,well i do but things seem so useless everyday.i dont know were crusty bastards hellbent on nuking the houses of parliment.

ARE YOU PLEASED WITH YOUR DEMO??

PHIL.yeah we did it 15/7/86 in alnwick in a four trax studio  
were pleased with it,give it a listen and feel your brains  
trickle down the sides of your face.

WHAT BOOKS DO YOU READ ??

SCRUFF,i have read quite a few books to name some "a sense of  
freedom"by jimmy boyle i started that book and didnt stop till  
i finished and the film was good to "papillon"was a bit of a  
classic to those of you who know WORRITIS.two books which made  
me think were "animal liberation" and an auto biography of  
"a child prostitute and heroin addict" certain paragraphs stick  
in my mind.i believe drug pushers should be hung or shot.

PHIL when i can remember how to read that is when i am sober  
i like to browse through charlie brown books,pan horror stories  
SCOTY,viz,beno,zines,sunday post,cant concentrate on big books.

HOW DO YOU FEEL ABOUT THE PATHETIC METAL BAND ATTITUDES ??

SCRUFF.i despise this attitude its either to make money or  
some macho fucking john spouting crap,it bores me.

PHIL.their all wimps really i bet

~~SCOTY~~for satan it doesn't say out.

ANYTHING TO ADD ??

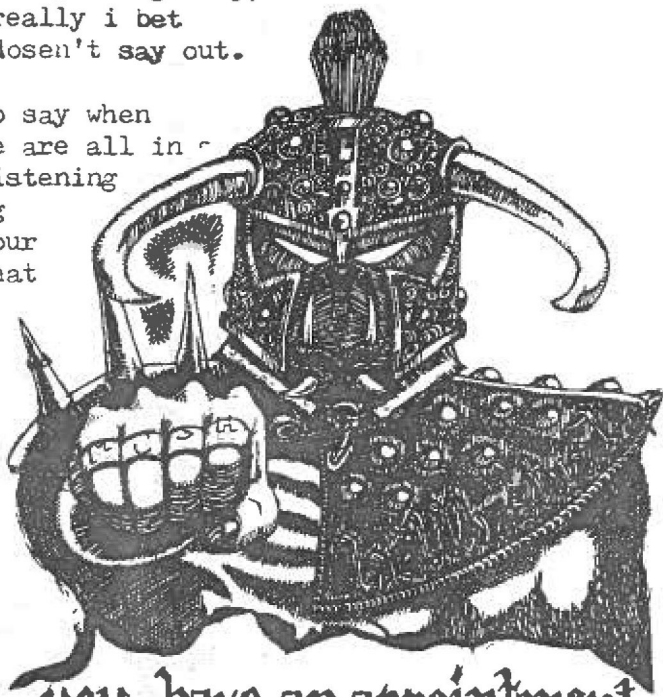

SCRUFF.i would like to say when  
will people realise we are all in  
serious trouble and listening  
to EXODUS or something  
isn't going to gain your  
freedom,do you mean what  
you say.

SCOTY,sorry my  
answers were so short  
but my heads wasted.

PHIL.deathstrike were  
the heaviest,ban  
skateboards and  
baseball hats.

# CONCRETE SOX

WELL ABOUT TWO YEARS AGO I SAW A BAND CALLED CONCRETE SOX IN NOTTM WITH CHAOS UK, WELL TO SAY I WASN'T IMPRESSED WAS A BIT OF AN UNDERSTATEMENT BEING SO OUT OF MY HEAD I COULDN'T TELL ONE TUNE FROM ANOTHER. THEN I GOT TO HEAR THEIR DEMO'S WHICH BLEW ME AWAY WITH THEIR POWERFUL MUSIC AND HEART FELT LYRICS, THEN CAME THE ALBUM "YOUR TURN NEXT" BRILLIANT, A BIT OF A LET DOWN ON THE PRODUCTION SIDE BUT HELL WHO CARES ABOUT THAT SIDE OF THINGS WELL HERE IS AN INTERVIEW WITH JOHN THEIR DRUMMER...

DO YOU FIND IT HARD SINGING AND PLAYING THE DRUMS TOGETHER ??  
at first i found it quite easy because i sung about only ~~1/3~~ 1/3 of the set and LES did the rest but as time went ~~by~~ by i started to do more of the singing and it became more difficult to get my breathe during gigs, my drumming started to suffer to too much emphasis on vocals and LES was the same with his bass playing, so the simple solution was to get a new vocalist so we did SEAN joined us in february, i still sing some songs.

SOME OF YOU ARE INTO METAL, DOES THIS EFFECT YOUR SOUND ??  
It must do cos we sound very metallic. this is something we dont always agree on and writing songs can be a difficult task. LES and VIC listen to alot of metal music so it must influence their style of playing, we have to make certain compromises i just hope it dosen't get too much out of proportion.

DO YOU PUT ANY IMPORTANCE ON YOUR IMAGE ??  
none whats so ever (good to hear it DAVE) clothes/appearance are irrelevant and we play in whatever we are wearing that particular day. dressing up for gigs is pointless, this aint a circus.

WHAT DO YOU THINK OF METAL BANDS ??  
well musically and ideally they dont appeal to me i think the whole thing as been blown way out of propotion. if people are into it thats OK. its relatively unimportant from a world view so dont expect too much from this scene.

DO YOU GET HASSEL FROM THE WAY YOU DRESS ??  
no not really just isolated incidents too boring to mention i'm sure you know the type of thing. in GERMANY its weird they just stare at you in total silence, amazing.

HOW LONG YOU BEEN PLAYING YOUR INSTRUMENTS ??  
VIC/GUITAR, 4yrs. LES/BASS, 2yrs. JOHN/DRUMS 8yrs. SEAN/VOCALS. few mon

HOW DID THE FLEXI COME ABOUT ??

we hassled DIG and KALV into including one of our songs, no seriously they had it in mind for quite awhile before. after the success of the "PUTRID EVIL" flexi they wished to continue in releasing cheap flexis with unreleased stuff on, especially with new bands from the UK, which seemed like a good idea to us at it would get our name/sound about worldwide.

ANY MORE VYNAL TO APPEAR ??

Yes we have a split twelve inch with HERESY coming out sometime this year on EARACHE records and maybe PUSMORT in the U.S HERESY have recorded their half we will do ours soon.

WHATS THE PUNK SCENE LIKE IN NOTTINGHAM ??

its growing all the time. gigs are infrequent but always well attended and trouble free (for the most part) people visit here regually which is cool. the day to day scene is pretty quiet the best thing eveybody knows everyone so there is not too much backstaobing i hope it stays this way .

IS DIG STILL FAT ?? (ONLY JOKING DIG )

oh no, actually he as lost alot of weight now cos he plays football and tennis. he is a right sportsman, also he cant cook very well so therefore he dosent eat much good food.

WHAT WOULD YOU DO IF A FIGHT STARTED WHILE YOU WERE PLAYING ??

stop playing until it stopped its as simple as that, to continue playing would be turning a blind eye to the trouble and it could be potentially explosive, keep things under control.

# CONCRETE SOX/ (continued)

DO YOU THINK MRR ZINE PLAYS AN IMPORTANT PART IN THE PUNK SCENE ?  
yes, in away its come just too important just think what would happen if it folded, information to things happening in many places would be lost for awhile it would be very damaging to the international scene. it is not the only zine out it is certainly the most accomplished and respected.

VIEWS ON THE REAGAN/THATCHER LIBYAN MURDERS ??

86 most asked question, of course it was stupid that BRITAIN allowed the U.S fighters to use our bases to launch its attack, we always have to stick our neck out and get involved in these incidents even when the majority of the people were against it, still we were never given the choice were we 2 they just went ahead with it anyway, democracy at work again.

ARE YOU PLEASED WITH YOUR ALBUM??

reasonably pleased i dont suppose anyone is ever totally pleased with their own work, you always remember the faults/mistakes it was a good start i guess. the I2" will be better from a technical stand point but maybe something will be lost in a bigger studio, time will tell.

# DAMAGE INC

## -THE NEW REALITIES!

FIRSTLY THAX TO NICK ROYLES  
FOR PUTTING ME IN TOUCH WITH  
"DAMAGE INC" AND THE TAPE.  
WHY THE NAME "DAMAGE INC"?  
we were thinking of a name for  
ages then we heard the METALLICA  
album and used the track DAMAGE  
INC and it suits our music.  
VIEWS ON METAL/HARDCORE ??  
metal as the best music but hardc  
ore contains the best lyrics and  
is more honest, more friendly  
and aware, best music comes from  
abroad. SLAYER, METALLICA, WHIPLASH,  
DESTRUCTION ETC the british  
bands we listen to are DISCHARGE  
ONSLAUGHT, ELECTRO HIPPIES.  
DO YOU GIG MUCH ??  
at the moment we aren't gigging  
at all, cos our guitarist left  
when we finished the demo our

vocalist is now on guitar and we are looking for a vocalist. we  
have only played one gig and that was a disaster, never mind.  
WHAT DO YOU THINK OF HELLS ANGELS ??  
they look ok but i wouldn't want to look like one though.  
DO YOU HAVE A BIG FOLLOWING ??  
we are not that well known at the moment the only thing that  
follows us is the huddersfield police.  
DO YOU READ MRR ZINE ??  
it's a great mag but we haven't seen it for ages it's apity we  
don't have the equivalent over here in BRITAIN.  
HOW IS YOUR TAPE SELLING ??  
at first it was not selling too good but it is picking up now  
we went to brum at the weekend and sold all the copies which  
made us pleased, you can get it for £1.50 from NICK ROYLES.  
WHAT DO YOU THINK OF RELIGION ??  
we don't  
ANYTHING TO ADD ??  
we hope to have some gigs soon if we get a new singer then we  
want to do a new demo.

REAL GOOD MUSIC EVEN STICKING IN THE ODD METALLIC  
RIFF HERE AND THERE HERES AN INTERVIEW WITH THE JUMPING  
GUITARIST HIMSELF. TAKE IT AWAY. FOLBLIV FULD.....

WHAT IS THE MEANING BEHIND YOUR NAME ??

well its up to people what they want to get out of it, but i feel  
it a good description of what the western world is doing to the  
third world. giving them money/aid say its for free when really  
after a few years they claim about double back, exploitation in  
the name of aid. is misanthropic charity.

WHAT DO YOUR LYRICS COVER ??

we sing about feelings that we see, way of life, we try to cover  
as many things as we can even love, oh yeah.

DO YOU GIG MUCH ??

for a new danish band i guess we do, we have had 7 gigs to date.  
here in Denmark it is hard to get gigs so i guess we are lucky  
POLITICAL BELIEFS ??

we dont have any special political message we are sure change  
must come from within, until we can get any better

WHAT DID YOU THINK OF ENGLAND WHEN YOU WERE HERE ??

well i really loved it and wanna thank DAVE, PETE AND JULIE for  
putting up with me i know it was hard, and DAVE as a drink problem  
with his OLD ENGLISH CIDER, the english scene is also better

WHAT BANDS INFLUENCE YOUR SOUND ??

aaaaarrrrrgggghhhh its hard to say we all listen to different  
types of music and we try to mix it.

WHY PUT OUT THE DEFORMED EP BEING AN ENGLISH BAND ??

well i just loved thier sound and musicalso they are great friends  
i just wanted to put a record out by them.

WHAT REACTION DO YOU GET AT GIGS ??

quite a good reaction, some people dont like us cos we are not  
hardcore enough for them, but on the whole people like us

# misanthropic charity

IS IT HARD WORK WITH YOUR  
RECORD/TAPE LABEL ??  
it surely is but alot of fun  
also i can only release stuff  
when i have saved enough  
money from my dole money so

## Misanthropic Charity

as you can imagine its not a thing that happens very  
often when some people who sell my stuff dont pay me back i cant  
release any new stuff, i want to put out the new VI ep but i  
cant i have the master tape but its money, pay up you bastards.

HOW DO THE HELLS ANGELS GET ON WITH PUNKS IN DK ??

some years ago hells angels arranged some punk gigs and at the  
time we had a good friendship but that was a long time ago  
so i dont know if the frienship still stands.

ANY DEMO/RECORD PLANS ??

we have a demo tape recorded but we are not pleased with it  
so we dont sell it but if anyone wants to hear it i will tape  
it for them we have no record plans at the moment.

ANY PLANS FOR THE UK ??

yeah if someone over there can arrange  
some gigs we will come over  
out the main problem is  
money, we dont want to lose  
money cos we are still a  
pretty unknown band.

WELL I WANT TO THANK DAVE  
FOR HAVING US IN HIS ZINE  
AND HIS FRIENDSHIP, THE REST

brilliant so many great bands about, LARM, ATAVISTIC, RAPT, SCRAPS,  
deafness to trev (wot no noise) foreign bands are great

communism sounds like a good idea, out it dosent work so well,  
people are brainwashed against russia when they think of russia

well i cannot stand this new wave of conservatism and yuppieism

that is developing in this country.everyone is pro,american

these daysbut the iran dealings will hopefully delude this

are all for building up our nuclear stockpile and for U.S

they want others to do their dirty work.
